Pro Exam Certificates

TUTORIAL

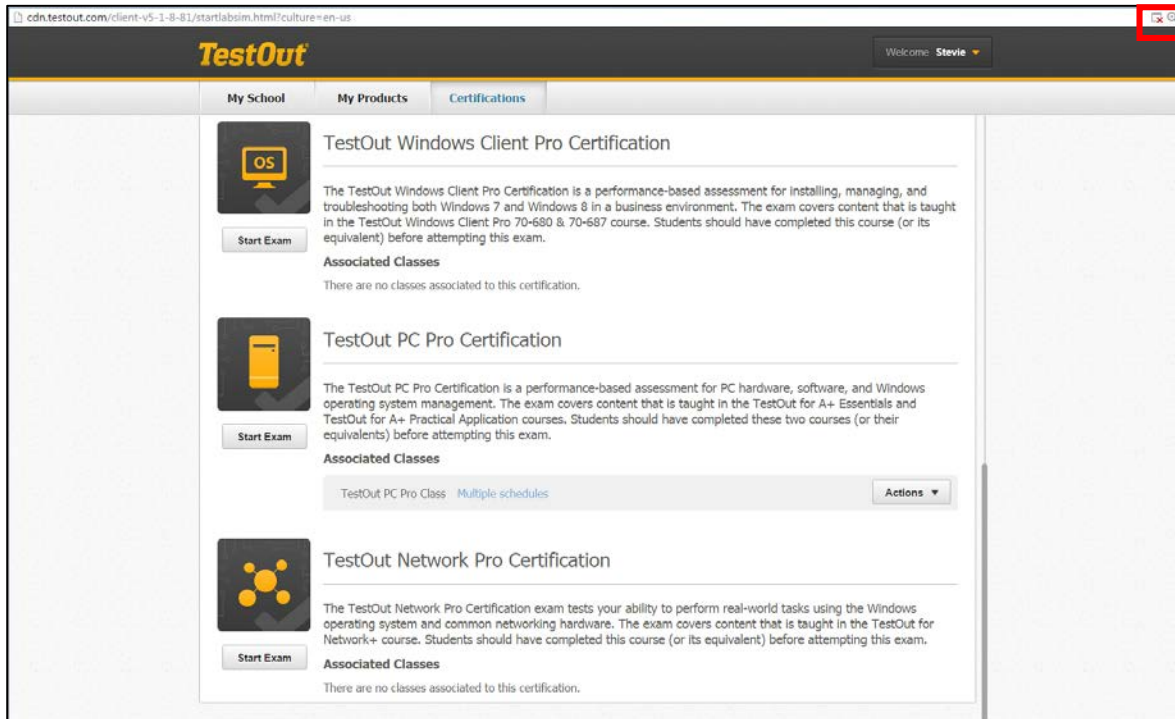

After login click the “Certifications” tab.

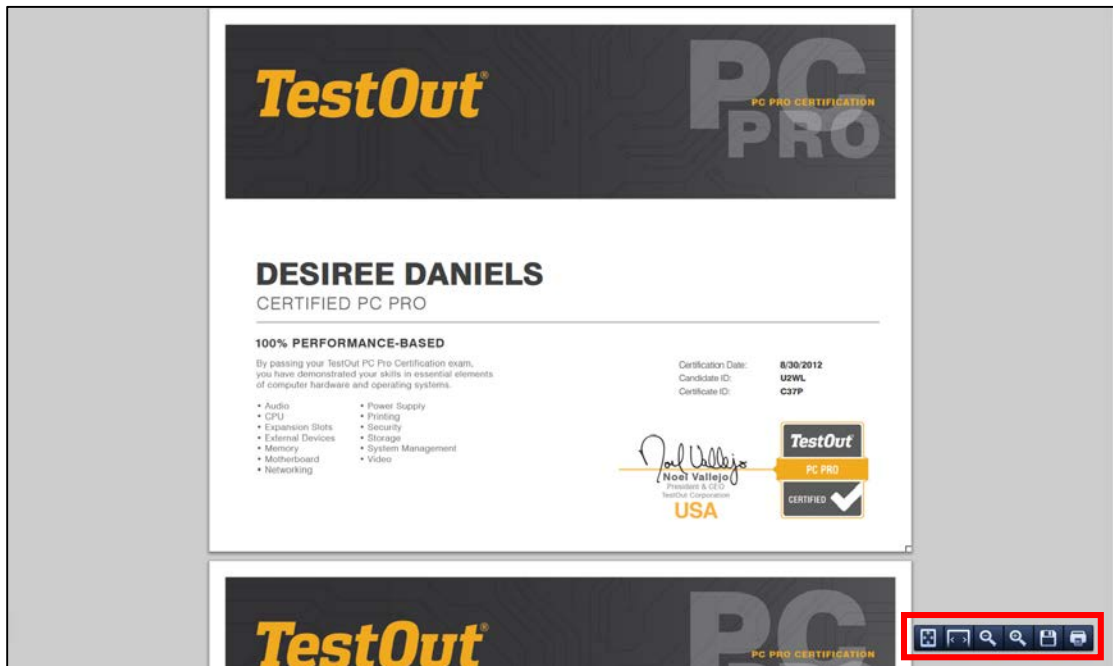

On the “Certifications” tab, find the respective certification exam. Click on the “Actions” dropdown button and select “Download Certificates.”

**\*\*Warning:** A pop-up blocker may prevent the certificates from appearing. Be sure to turn the pop-up blocker off.

Certified Students' certifications will be populated in another window. Scroll to review all your certified students. You may print or save from this screen's floating toolbar.

**\*The location of the floating toolbar varies by browser.**
