On the "Certifications" tab, find the certification that you are looking to download the certificate for and click "View Report."

TestOut Welcome: Jory

Products Certifications

- Aubrey barnett (Cyber Security)
- Cristy Bird (Security 111)

TestOut PC Pro Certification

The TestOut PC Pro Certification is a performance-based assessment for PC hardware, software, and Windows operating system management. The exam covers content that is taught in the TestOut for A+ Essentials and TestOut for A+ Practical Application courses. Students should have completed these two courses (or their equivalents) before attempting this exam.

Congratulations! You've passed the TestOut PC Pro Certification exam

[View Report](#) Completed 10/30/2012 4:24:23 pm

TestOut Network Pro Certification

The TestOut Network Pro Certification exam tests your ability to perform real-world tasks using the Windows operating system and common networking hardware. The exam covers content that is taught in the TestOut for Network+ course. Students should have completed this course (or its equivalent) before attempting this exam.

How to take this exam

You have a voucher available to take this exam. However, your instructor will need to schedule the exam for you. The following teacher(s) can schedule your exam:

- kent mahoney (NET 201 Networking Basics - Spring 2015)
- Cristy Bird (Networking 400)
- Wendy Edwards (Networking Spring 2015)

The "Certification Report" dialog box will appear showing a breakdown of your score. Click the "Download Certificate" button.
